

the leadership forum

The Leadership Forum brings business leaders and managers together to:

- ▣ identify professional objectives
- ▣ create personal goals
- ▣ prioritise responsibilities
- ▣ communicate effectively
- ▣ tackle key challenges
- ▣ plan and manage strategies
- ▣ delegate successfully
- ▣ overcome critical issues
- ▣ improve efficiency

The Leadership Forum is a highly successful and focused programme that takes business leaders and managers on a journey of recognition, acknowledgement, learning, adjustment, and ultimately achievement.

During coaching each participant will discover the benefits of utilising the unique LMI® process of gradual change over time, spaced repetition and multi sensory learning to guarantee new, effective practices that last a lifetime.

The leadership forum consists of:

- ▣ 4 half day workshops scheduled at 2 week intervals
- ▣ A small group of participants, usually between 6 and 8,
 - ▣ working together in an environment of mutual trust and support
- ▣ Coaching from an experienced **LMI-UK** programme director
